In relation to working in schools, whilst it is not possible to ensure a totally risk-free environment, the Office of National Statistics' analysis on [coronavirus \(COVID-19\) related deaths linked to occupations](#) suggests that staff in educational settings tend not to be at any greater risk from the disease than many other occupations. There is no evidence that children transmit the disease any more than adults.

The school are following the guidance [Guidance for full opening: schools](#)

Public Health England advice the following measures to minimize coronavirus (COVID-19) risks in school environments;

- a requirement that people who are ill stay at home
- robust hand and respiratory hygiene
- enhanced cleaning arrangements
- active engagement with NHS Test and Trace
- formal consideration of how to reduce contacts and maximize distancing between those in school wherever possible and minimize potential for contamination so far as is reasonably practicable

Public Health England are actively supporting schools. If schools have a query about coronavirus (COVID-19) they can contact PHE helpline, lines are open from 8am to 6pm, Monday to Friday, and 10am to 4pm at weekends-If you work in a school, please have your unique reference number (URN or UK PRN) available when calling the helpline- DfE coronavirus helpline -Telephone 0800 046 8687

By the end of the summer term, Public Health England will publish revised guidance for cleaning non-healthcare settings to advise on general cleaning required in addition to the current advice on [COVID-19: cleaning of non-healthcare settings guidance](#).

All relevant guidance is located in Appendix 1,links are subject to updates as required.

For further advice and support contact the Children & Young People's/Adult & Health Services ,Health and Safety Team -[hsteam@durham.gov.uk](mailto:hsteam@durham.gov.uk) and 03000 263430.
