

Red Robins

Monday 13th February 2023

This week's homework is science and we are finishing off our topic of plants. Can you design your very own plant? You can draw it however you like, think about where it would grow best and what it needs to survive.

Design a Plant

Draw your own plant in the plant pot.
Think about the size, shapes, colours and patterns your plant will have.

Magenta monkeys

Monday 13th February 2023

This week's homework is science and we are finishing off our topic of plants. Can you design your very own plant? Once you have designed your plant, can you have a go at labelling it?

Design a Plant

Draw your own plant in the plant pot.
Think about the size, shapes, colours and patterns your plant will have.

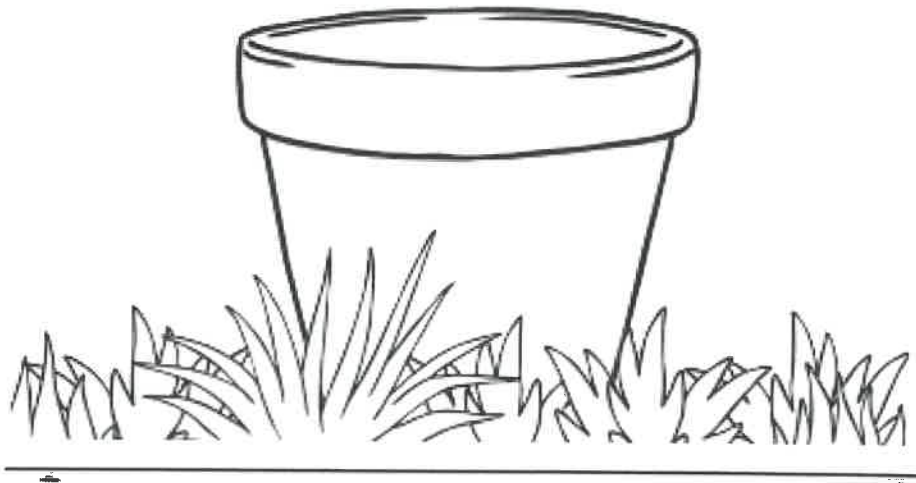

Turquoise Turtles

Monday 13th February 2023

This week's homework is science and we are finishing off our topic of plants. Can you design your very own plant? Once you have designed your plant, can you have a go at labelling it and writing a short sentence telling me where your plant grows best?

Design a Plant

Draw your own plant in the plant pot.
Think about the size, shapes, colours and patterns your plant will have.

Purple penguins.

Monday 13th February 2023

This week's homework is science and we are finishing off our topic of plants. Can you design your very own plant? Once you have designed your plant, can you have a go at labelling it and writing a short sentence telling me where your plant grows best and how you keep it alive.

Design a Plant

Draw your own plant in the plant pot.
Think about the size, shapes, colours and patterns your plant will have.
