

Red Robins

Monday 19th June 2023

This week's homework is science and we are continuing to look at materials and how they can change shape. Can you have a go at completing the worksheet, to show how each material can change shape. If you are struggling to find any materials or aren't sure, you can leave the ones you don't know.

Object	Can You Squash It?	Can You Bend It?	Can you Twist It?	Can You Stretch It?
plastic bottle 				
pipe cleaner 				
sock 				
drinking straw 				
modelling dough 				
bath towel 				

magenta monkeys

Purple Penguins

Monday 19th June 2023

This week's homework is science and we are continuing to look at materials and how they can change shape. Can you have a go at completing the worksheet, to show how each material can change shape. If you are struggling to find any materials or aren't sure, you can leave the ones you don't know.

Object	Can You Squash It?	Can You Bend It?	Can you Twist It?	Can You Stretch It?
plastic bottle				
pipe cleaner				
sock				
drinking straw				
modelling dough				
bath towel				
sponge				
elastic band				

The shape of all these objects could be changed in some way. See if you can find 3 objects which can't be squashed, bent, twisted or stretched. Write them down here:
