

Staffing Update

I am writing to let you know that we will have a really sad farewell at the end of the AutumnTerm.

I would like to inform you Mrs Miller will be leaving her role as School Office Administration Manger to start early retirement from her role at Nettlesworth Primary School.

It has been such a privilege to work with her as part of our team. She has had the pleasure to see many of our children over the years grow and develop during their time in primary school and the privilege to work with dedicated teachers, support staff, parents/carers and Governors. We would like to thank her from the bottom of our hearts for all she has have given to the school and wish Mrs Miller best wishes in her retirement.

We are currently in the process of recruiting a new School Office Administration Manager and will let you know in due course of the successful candidate.

Punctuality

It is great to see so many children arriving to school on time and being

the beginning of the day. Class 1, 2 and requests for holidays in term time. Due Class 3 begin their phonics sessions at to this, our school attendance has fallen 8.45 am and Class 4 and Class 5 begin from 96.7% to 95.5%. Our school their challenge time activities at 8.45 attendance target is 96%. This target is am. programmes, reading/maths/speech and language interventions and lego therapy running at that time.

Being frequently late for school means lost learning:

- Arriving 5 minutes late every 0 day adds up to over 3 days lost each year.
- Arriving 15 minutes late every 0 day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every 0 day is the same as being absent for 19 days a year.

#### Lateness to School

School starts at 8:45 am. Your child will receive a late mark if they arrive after this time. If your child arrives after the register closes at 9.15 am they will be given an unauthorised late mark. Persistent Unauthorised late marks will result in a referral to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

Please can you ensure children arrive at school for 8.45am. Thank you so much to parents/carers for your continued support.

Holidays in Term Time

involved in their learning right from We have seen a large increase in We also have co-ordination National Average. Ofsted evaluate school attendance and a low attendance can affect school's Ofsted judgements. Just to remind parents and carers that as of 1<sup>st</sup> September 2013, Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. Absence during term time should be avoided because children can fall behind with their work and may find it difficult to integrate. An application using the leave of absence form (available from the school office) for leave must be made in writing to the Head Teacher, detailing the exceptional circumstances. The Head Teacher must be satisfied the circumstances warrant the granting of leave. If you do not apply for leave in advance, the absence will be recorded as unauthorised. You can be fined for taking your child on holiday during term time without consent from the school.

## Texts/Emails

We regularly send texts to parents with details of events happening in school or just reminders. We are now also sending emails. Thank you for your patience while we are updating this. Letters have been sent out explaining our new systems. Please notify school if you haven't received any texts/emails in the last week. Your contact details may need updating.

- 2
- Provide medical evidence if this has been requested by the school

If school are not informed and unable to contact you via telephone regarding your child's absence a letter will be sent requesting details of the absence or our Parent Support Advisor will come out and visit to see if you need any support. If this is not returned and still no reason for the absence is provided the absence will be marked as unauthorised.

Only head teachers can authorise absence and it is at their discretion as to whether the reason provided is acceptable or not.

If your child is unwell, please contact school office as soon as possible by 9am. It is important that children attend school as often as possible because if they are not in school they cannot learn.

The minimum acceptable level of school attendance is 96%. We believe as a school that identifying poor attendance and issues affecting attendance early as well as working in partnership with parents we can significantly improve attendance and prevent a child becoming a persistent absentee and involvement with the Local authority. Below outlines the procedure that we follow to support and improve attendance:

- Notice to Improve Letter sent home to indicate to parents/cares that attendance is starting to decline. This will be sent to students below 96% attendance.
- Medical Evidence Request Letter sent home to request medical evidence to be provided to support absence, without this future absence will be marked as unauthorised. This could be

in the form of an appointment card or proof of medication given by the doctor

- Parents/carers to be invited to attend a school attendance meeting to discuss concerns and set targets to improve attendance.
- If your child's attendance falls to 90% or below, this is considered, by the Government, to be persistent absence. Where attendance falls below 90% and there are unauthorised absences a referral will be made to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

### #HelloYellow supporting Children's Mental Health 2023

Here at Nettlesworth Primary School, we took part in #HelloYellow for World Mental Health Day 2023, showing our children that how they feel INSIDE matters. Mental health and wellbeing are our number one priorities at Nettlesworth. We know that happy and healthy minds help us to learn and do our best!

We dressed up in our yellow clothes for the day. We also took time out to tell jokes, and we had a challenge of giving at least one person a compliment. In the afternoon, we tried yoga and a range of mindfulness activities in our classrooms too! Together we raised a wonderful £70 for the charity: Young Minds – THANK

YOU

# Careers Experience – Fire Service Engineer

UNCRC Article 29: Every child has the right to an education that develops their personality, talents and abilities to the full.

We had a visit from Callum from Chubb Fire. We have some children in Class 1 & 4 with a passion for fire safety and we have been talking about different careers other than a Firefighters; but that still link to fire safety and protection.

Fire safety engineers ensure that buildings are designed to keep people, property and the environment safe from the dangers of fire and Callum brought along some of his extinguishers to show the children; how they work, what the different types are used for, when they should be checked and how they are used.

We even had the opportunity to use the water and foam extinguisher on the field. It was super load and super powerful – an all around wonderful experience to showcase different

careers for our children

## Leaf printing

Class 2 had lots of fun using different materials to print leaves, all in autumnal colours. They look amazing!

# Celebration of Topic – Predator!

UNCRC Article 31 – Right to take part in a range of activities.

As part of Class 3's DT lesson this week, we ,made our very own moving predators! We used paper plates and lolly sticks to create a lever, that allowed our Predators to move around their habitats. We thought carefully about the kind of Habitats they would live in, linking it to what we had learnt this half term. We also added some prey. We all had so much fun making these and they all looked fantastic!

## Robin Hood Ballads in Class 4

In Literacy this term, we have been looking at the legend of Robin Hood. Today, we began to work in our partners to create our very own ballads about Robin Hood and his adventures!

UNCRC Article 28 – every child has the right to an education.

# Computing in Class 5– 20.10.23

# UNCRC Article 17 – access to media

A lovely lesson today saw our children enhancing their multimedia presentations based on a historical event. Ours is our Cornerstones Curriculum topic – Fallen Fields.

Next week we are preparing to welcome our families to help with hyperlinking and slide transition.

Rights Respecting Gold ethos demonstrated by all.
