

Dear Parents and Carers,

Over the Christmas holiday period, Kalma Life are delivering free holiday activity clubs with Fun and Food fully funded by Durham County Council for all children in and around the Stanley area.

Each day there will be a range of fun yoga activities, games, crafts, workshops, mindfulness and more aimed at primary aged children between 4-11 years old.

Breakfast, snack, lunch and drinks will also be provided for each child. Any dietary requirements must be noted on the booking.

There are no limitations to how many sessions your child can attend however, there are a maximum of 25 places each day and bookings are to be made on an individual basis via the website below. Priority will also be given to children eligible for free school meals as part of the funding requirements from the Department for Education (DfE).

Register your interest on the booking link below before Thursday 30th November. Please note this is just a registration of interest to begin with, once priority bookings are confirmed the remaining spaces will be opened up and **everyone** who has registered their interest will receive an email with further info.

As the places are limited and very sought after, we respectfully ask that any sessions that can't be attended for whatever reason, we are told about so the place can be given to another family to benefit from. If we are not informed and 2 or more dates are missed, then we will assume you no longer require the remaining pre-booked places and these will be offered to someone else.

All clubs will run between 9.30am – 2.30pm at **Quaking Houses Village Hall. DH9 7HQ**
