

Nettlesworth Primary School Reading Spine

At Nettlesworth Primary School, we are dedicated to instilling a love of reading to ensure that **all** children, even the most reluctant reader, have read and studied in depth, a range of texts each year.

In EYFS, our curriculum is bespoke and child-initiated to the cohort of children each year, therefore the texts will vary depending upon the topic chosen by the children.

The texts used in the year 2023/24 are documented below and will be updated as we go through the year..

From Years 1 to 6 the texts will link with the school's overarching Literacy themes that run through each term; allowing children to make links and show clear progression through each year group.

In addition to the core texts covered in our Curriculum, we also have a selection of 'Favourite Five' books, throughout EYFS and Key Stage 1; these are read to the children at the end of each day to encourage reading for pleasure. This also ensures our children will have access to, 'a wide vocabulary, and understanding of grammar and knowledge of conventions for linguistic conventions for reading, writing and spoken language,' in line with national curriculum expectations.

Across Key Stage 2, we have our 'Love to Read' Cornerstones text which link directly to the overall theme of learning in class each half term. This encourages a love of classic and contemporary literature and allow our children to be involved in reading at a deeper level to develop their understanding of literary styles and techniques to help them meet the expectations for reading comprehension at Key Stage 2.

EYFS	
"Readers are lucky – they will never be bored or lonely." – Natalie Babbitt	
Autumn 1	Autumn 2
