

Summer Term Newsletter

KS1/KS2 SATS

Key Stage 1 optional SATs are used to test children's knowledge and understanding of English and mathematics in Key Stage 1. They provide a snapshot of children's attainment and help Year 2 teachers arrive at a secure judgement for their final 'teacher assessment' at the end of Key Stage 1.

Key Stage 1 SATs take place in week beginning **May 13th** at Nettleworth Primary School. (same time as Year 6)

Key Stage 2 Assessment (Year 6 pupils)

Schools are required to administer the following tests: English Reading; English Grammar, Punctuation and Spelling (new from 2013); and Mathematics.

The 2024 end of Key Stage 2 national curriculum tests will be held in the week beginning **Monday 13th May 2024**.

Monday 13th: English grammar, punctuation and spelling papers 1 and 2

Tuesday 14th: English reading

Wednesday 15th: Mathematics papers 1 and 2

Thursday 16th: Mathematics paper 3

The children have worked so hard in preparation for the tests and more than ready just to try their best. Their progress is phenomenal and a true credit to you and our school.

Punctuality

It is great to see so many children arriving to school on time and being involved in their learning right from the beginning of the day. Class 1, 2 and Class 3 begin their phonics sessions at 8.45 am and Class 4 and Class 5 begin their challenge time activities at 8.45 am. We also have co-ordination programmes, reading/maths/speech and language interventions and lego therapy running at that time.

Being frequently late for school means lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

Lateness to School

School starts at **8:45 am**. Your child will receive a late mark if they arrive after this time. If your child arrives after the register closes at **9.15 am** they will be given an unauthorised late mark. Persistent Unauthorised late marks will result in a referral to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

Please can you ensure children arrive at school for 8.45am. Thank you so much to parents/carers for your continued support.

Holidays in Term Time

We have seen a large increase in requests for holidays in term time. Due to this, our school attendance has fallen from 96.7% to 95.5%. Our school attendance target is 96%. This target is National Average. Ofsted evaluate school attendance and a low attendance can affect school's Ofsted judgements. Just to remind parents and carers that as of 1st September 2013, Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. Absence during term time should be avoided because children can fall behind with their work and may find it difficult to integrate. An application using the leave of absence form (available from the school office) for leave must be made in writing to the Head Teacher, detailing the exceptional circumstances. The Head Teacher must be satisfied the circumstances warrant the granting of leave. If you do not apply for leave in advance, the absence will be recorded as unauthorised. You can be fined for taking your child on holiday during term time without consent from the school.

Texts/Emails

We regularly send texts to parents with details of events happening in school or just reminders. We are now also sending emails. Thank you for your patience while we are updating this. Letters have been sent out explaining our new systems. Please notify school if you haven't received any texts/emails in the last

week. Your contact details may need updating.

Absences

By law, all children of compulsory school age must get a suitable, full-time education. As a parent/carers, you are responsible for making sure this happens. **Once your child is registered at Nettlesworth Primary School, you are responsible for making sure your child has regular and punctual attendance at school.**

The Local Authority (LA) is responsible for making sure that parents/carers fulfil their responsibilities, and the school must tell the LA if your child is regularly absent from school. As a parent/carer, you are committing an offence if you fail to make sure that your child attends school regularly. You run the risk of being prosecuted by the LA if your child's attendance is poor.

Reporting School Absence

We appreciate there may be times your child is unwell or unable to attend school. As a parent you have a responsibility to:-

- Contact school on the first morning of absence, providing a reason for their absence.
- Keep school informed on a regular basis if your child is absent for a long period.
- Provide medical evidence if this has been requested by the school

If school are not informed and unable to contact you via telephone regarding your child's absence a letter will be sent requesting details of the absence or our Parent Support Advisor will come out and visit to see if you need any support. If this is not returned and still no reason for the absence is provided the absence will be marked as unauthorised.

Only head teachers can authorise absence and it is at their discretion as to whether the reason provided is acceptable or not.

If your child is unwell, please contact school office as soon as possible by 9am. It is important that children attend school as often as possible

because if they are not in school they cannot learn.

The minimum acceptable level of school attendance is 96%. **We believe as a school that identifying poor attendance and issues affecting attendance early as well as working in partnership with parents we can significantly improve attendance and prevent a child becoming a persistent absentee and involvement with the Local authority.** Below outlines the procedure that we follow to support and improve attendance:

- Notice to Improve Letter - sent home to indicate to parents/cares that attendance is starting to decline. This will be sent to students below 96% attendance.
- Medical Evidence Request Letter - sent home to request medical evidence to be provided to support absence, without this future absence will be marked as unauthorised. ***This could be in the form of an appointment card or proof of medication given by the doctor***
- Parents/carers to be invited to attend a school attendance meeting to discuss concerns and set targets to improve attendance.
- If your child's attendance falls to 90% or below, this is considered, by the Government, to be persistent absence. Where attendance falls below 90% and there are unauthorised absences a referral will be made to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

Waste Warriors

We are excited to be working with Naomi and Sarah from the Refuse Cafe in Chester le street. They are working with us to help us understand our food waste in school and how this has an impact on the world around us. We have our very own Waste Warriors in school too, who will be helping to spread the important message about food waste and how we can work to ensure we waste as little food as possible. Keep an eye on our website for more information!

UNCRC Article 24- Right to best possible health

Class 1 BLOG

In Literacy we have been working on writing our own names. In Maths we have been introduced to the number 15 and continuing with our addition. We had visitors on Wednesday who came to check our vision, we looked so cool in our special green glasses! In P.E we were perfecting our throwing and catching skills. In science we have been investigating different mini beasts and the environments in which they live. We had an excellent music session singing along to our favourite nursery rhymes and trying hard to clap to the beat.

Pressed Flower Art in Class 2

In art we have learnt all about a famous artist, Georgia O Keffe. We learnt about how she used flowers as her initial inspiration for her drawings and paintings. We then used this inspiration to make our very own art work. We used pressed petals to make a picture using our initials. They look amazing!

Anglo-Saxon prints in Class 4

In our Art session today, we created some Anglo-Saxon inspired prints, using red paint, paper and card! We had so much fun creating our unique designs and are going to add more detail with metallic pens.

UNCRC Article 31 – children have the right to take part in a wide range of artistic activities.

Clay Sculptures in Class 3

We made our very own clay sculptures of fruit and vegetables. We researched which ones we wanted to make before using clay and tools to shape them. We took our time adding detail and we will paint them next week to finish them off.

PE – Tennis – 26.4.24 Class 5

UNCRC Article 31 – leisure, play and artistic culture

Another fabulous PE lesson today when we enhanced our control of the racket and tennis ball to become more accurate in gameplay scenarios.

We are training to participate in a intra-school tennis tournament by the end of the term.
