

Spring Term Newsletter

Welcome Back

Hello and welcome back the first half of the Spring Term! I hope you have all had a wonderful Christmas and New Year.

2025
HAPPY NEW YEAR

Punctuality

It is great to see so many children arriving to school on time and being involved in their learning right from the beginning of the day. Class 1, 2 and Class 3 begin their phonics sessions at 8.45 am and Class 4 and Class 5 begin their challenge time activities at 8.45 am. We also have co-ordination programmes, reading/maths/speech and language interventions and lego therapy running at that time.

Being frequently late for school means lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

Lateness to School

School starts at **8:45 am**. Your child will receive a late mark if they arrive after this time. If your child arrives after the register closes at **9.15 am** they will be given an unauthorised late mark. Persistent Unauthorised late marks will result in a referral to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

Please can you ensure children arrive at school for 8.45am. Thank you so much to parents/carers for your continued support.

Important Information of Changes to the issue of penalty notices.

Changes to the issue of Penalty Notices to address School Attendance from 19th of August 2024: THE EDUCATION (PENALTY NOTICES) (ENGLAND) (AMENDMENT) REGULATIONS 2024 No. 210.

From 19.08.24 new legislation comes into force regarding the criteria for and the issue of penalty notices to address school attendance. A national framework for parental fines is being introduced for any pupil who misses 10 or more half-days within any 10-week period. Please note that if you have requested a Leave

of Absence that commences from September 2024 onwards, any Penalty Notice/s issued will be at the new rates and trigger the start of the three year threshold period, as specified below. The following changes have been made:

- the number of unauthorised absences that may trigger a potential fine: 10 unauthorised absences (5 days) in a 10 school week period.
- the number of penalty notices that can be issued to a parent in respect of the same individual child: a maximum of 2 penalty notices will be issued (per parent, per child) within a 3 year period
- for the first penalty notice issued to each parent in respect of the same individual child in a 3-year period: the amount of the penalty notice has increased from £120 to £160 if paid within 28 days and £60 to £80 if paid within 21 days
- any second penalty notice issued to the same parent in respect of the same individual child within 3 years of the date the first penalty notice issue is now set at £160 to be paid within 28 days - NB: No discount for earlier payment is offered.
- any further absences will proceed for prosecution in the Magistrate Court for the same parent in respect of the same child within 3 years of the date of the first penalty was issued - The maximum fine the court can impose for a first offence is £1,000 per parent, per child. If, however, you have a history of offences of this nature you may be prosecuted under Section 444(1A) Education Act 1996 and the court can fine you up to £2,500 per child, order payment of the prosecution costs, impose a Parenting Order and/or sentence you to a period of imprisonment

of up to 3 months .This reflects the seriousness of unauthorised absence from school. Please speak to us if you have concerns about your child's attendance - we want to support you to address any barriers which prevent your child attending on time every day.

Absences

By law, all children of compulsory school age must get a suitable, full-time education. As a parent/carer, you are responsible for making sure this happens. **Once your child is registered at Nettlesworth Primary School, you are responsible for making sure your child has regular and punctual attendance at school.**

The Local Authority (LA) is responsible for making sure that parents/carers fulfil their responsibilities, and the school must tell the LA if your child is regularly absent from school. As a parent/carer, you are committing an offence if you fail to make sure that your child attends school regularly. You run the risk of being prosecuted by the LA if your child's attendance is poor.

Reporting School Absence

We appreciate there may be times your child is unwell or unable to attend school. As a parent you have a responsibility to:-

- Contact school on the first morning of absence, providing a reason for their absence.
- Keep school informed on a regular basis if your child is absent for a long period.
- Provide medical evidence if this has been requested by the school

If school are not informed and unable to contact you via telephone regarding your child's absence a letter will be sent requesting details of the absence or our Parent Support Advisor will

come out and visit to see if you need any support. If this is not returned and still no reason for the absence is provided the absence will be marked as unauthorised.

Only head teachers can authorise absence and it is at their discretion as to whether the reason provided is acceptable or not.

If your child is unwell, please contact school office as soon as possible by 9am. It is important that children attend school as often as possible because if they are not in school they cannot learn.

The minimum acceptable level of school attendance is 96%. **We believe as a school that identifying poor attendance early as well as working in partnership with parents we can significantly improve attendance and prevent a child becoming a persistent absentee and involvement with the Local authority.** Below outlines the procedure that we follow to support and improve attendance:

- Notice to Improve Letter - sent home to indicate to parents/cares that attendance is starting to decline. This will be sent to students below 96% attendance.
- Medical Evidence Request Letter - sent home to request medical evidence to be provided to support absence, without this future absence will be marked as unauthorised. **This could be in the form of an appointment card or proof of medication given by the doctor**
- Parents/carers to be invited to attend a school attendance meeting to discuss concerns and set targets to improve attendance.

- If your child's attendance falls to 90% or below, this is considered, by the Government, to be persistent absence. Where attendance falls below 90% and there are unauthorised absences a referral will be made to the Local Authority School Improvement Officer for further intervention and enforcement action may be taken.

We had so many children want to write more about their super-animal and some even created sentences for theirs. One of our favourite was the "elephant that had laser power eyes"

The Next Generation of Authors – inspired by Adam Bushnell

We launched our new Cornerstones Topics through a day of imagination & creative writing with the local author and storyteller; Adam Bushnell. It was great to hear how he started his career as an author and all about his dream from a young age – it definitely inspired many children

across the school

Our children in EYFS worked incredibly hard with Adam to create their own super-animals based on the interactive and engaging story he told us all about 'The Wise Old Man & the tortoise'. The children created their own sounds and actions for different parts of the story and had so much fun retelling it with great articulation. They were astonished when at the end of the story a tortoise statue appeared out of Adam's special cage.... Which then turned into a real tortoise when we thought of our longest and craziest magic word "bomballiniosa"

Class 3 had an excellent time working with Adam Bushnell, introducing our new topic 'Gods and Mortals'. We looked at some Ancient Greek armour and clothing before creating our very own heroes and monsters. We used our literacy skills to think of noun phrases to describe our heroes and monsters

Art Ambassador Workshop

UNCRC Article 29 – Develop our talents.

Our art ambassadors recently worked with local artist Ana, to develop and enhance their art skills. They enjoyed hearing about how Ana became interested in art and how she now is building her own business, this inspired lots of our children. They learnt how to draw flowers, before creating a background using a range of materials and skills. The

children had so much fun and learnt lots of new skills that they can share with other children.

Durham Music Service Band

We had a wonderful performance from a live band from Durham Music Service before Christmas – it has inspired many of us to want to learn to play a musical instrument like the oboe, flute and saxophone.
