This resource is provided for informational and educational purposes only. As this resource refers to outdoor learning, you must ensure that an adequate risk assessment is carried out prior to using this resource. You must contact a suitably qualified professional if you are unsure. Twinkl is not responsible for the health and safety of your group or environment. Outdoor areas provide great opportunities for playing and learning, but you should always check any environmental risks before taking part in outdoor activities, and only proceed if it is safe to do so. For example, even the shallowest amount of water can be extremely dangerous. You should ensure that learners wash their hands after being outside, and are respectful of nature, taking care of animals and plants. Please be aware that learners should be supervised at all times, particularly young or vulnerable learners.
