Magenta Monkeys

15.9.25

This week's homework is numeracy and we have been focusing on number bonds to 10 in class. Can you have a go at working out what you have to add to each number to make 10? Use your fingers to help you.

Blue Birds

15.9.25

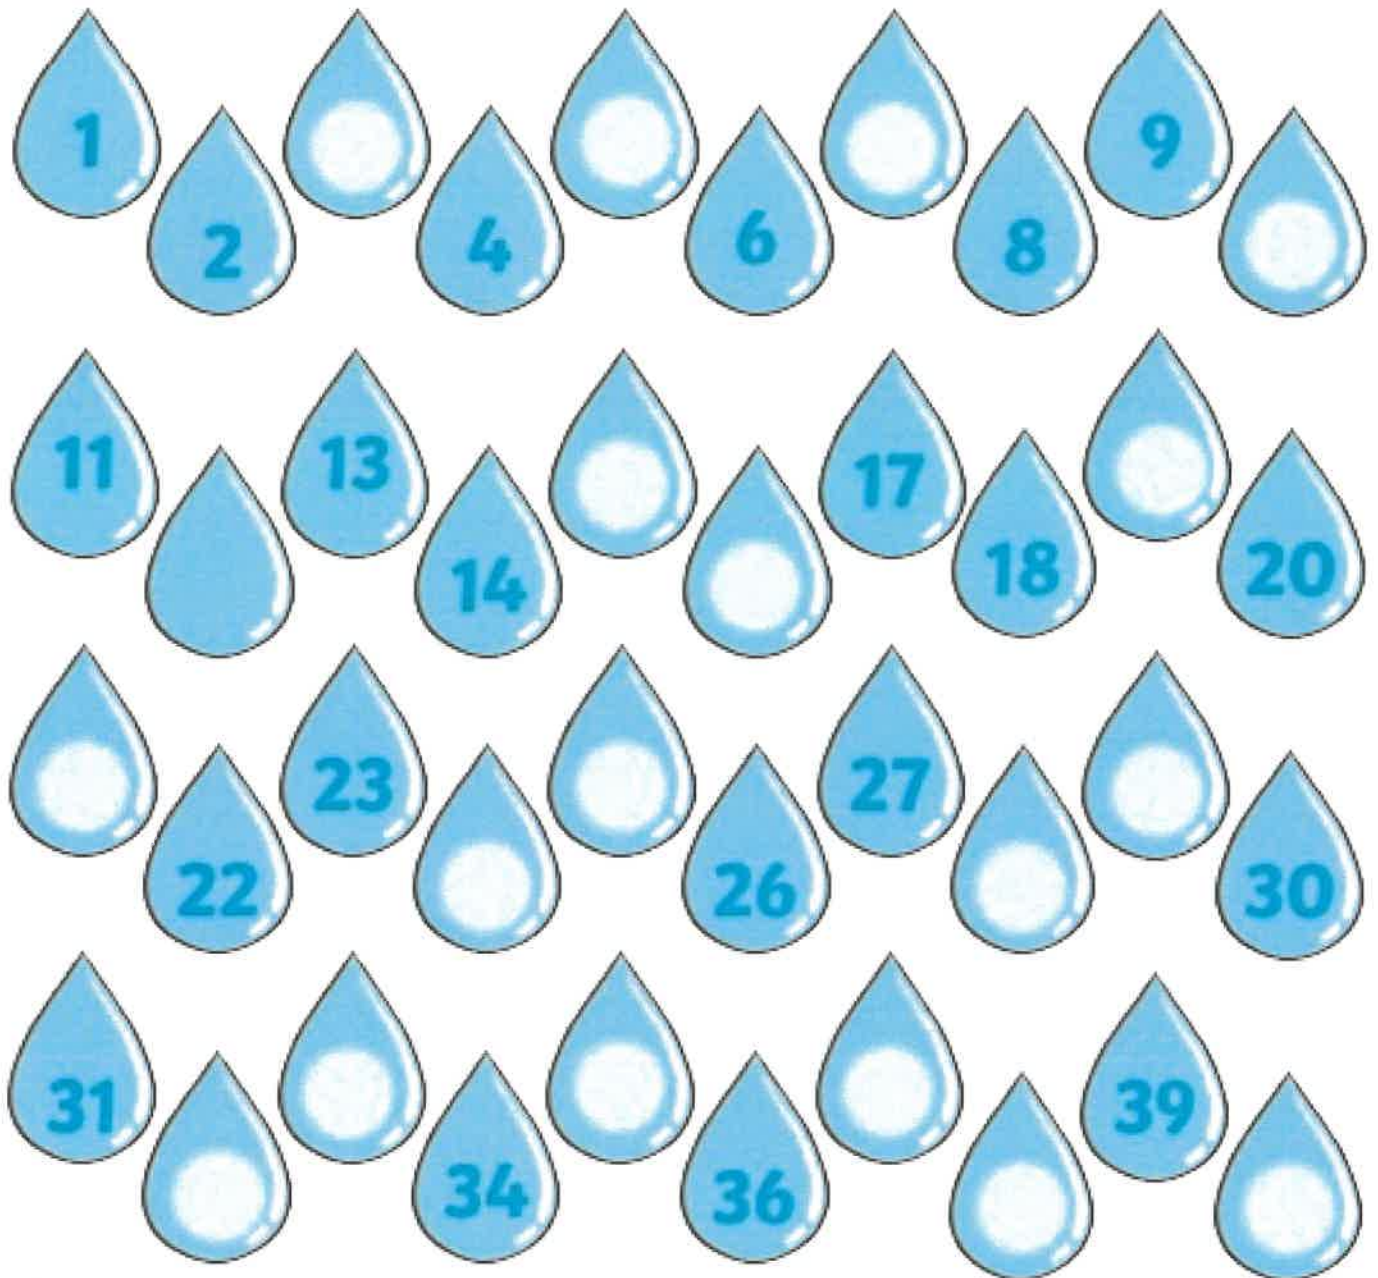

This week's homework is numeracy and we have been focusing on counting in class. Can you have a go at counting each animal and writing the total in the circles?

Turquoise Turtles

15.9.25

This week's homework is numeracy and we have been focusing on counting and number sequences in class. Can you have a go at counting to 20 and back out loud with your adult? Can you then have a go at filling in the missing numbers, whilst counting out loud to help you.

Purple Penguins.

15.9.25

This week's homework is numeracy and we have been focusing on number sequences and counting in steps. Can you have a go at filling in the missing numbers, following each rule?

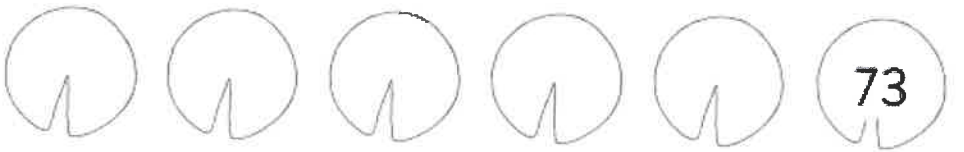

Add 5 each time.

Take away 5 each time.

Take away 5 each time.
