

Red Robins.

12.1.26

This weeks homework is numeracy and we are working on adding and subtracting in class. Can you have a go at counting all of the objects and writing the answer in the box. You can practice tracing the numbers too.

6		+	3		<input type="text"/>
4		+	2		<input type="text"/>
2		+	1		<input type="text"/>
3		+	3		<input type="text"/>
2		+	2		<input type="text"/>

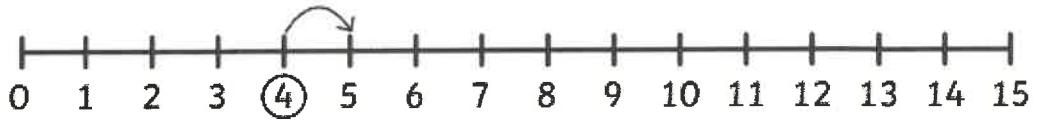

Magenta monkeys

12.1.26

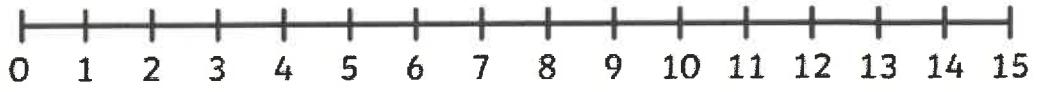

This week's homework is numeracy and in class we are looking at addition. We have been looking at using a number line to add two numbers together. Can you have a go at completing the worksheet, using the number lines to help you?

Example

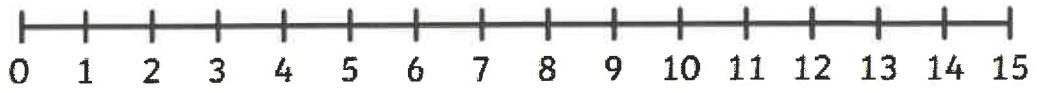

$$4 + 1 = \boxed{5}$$

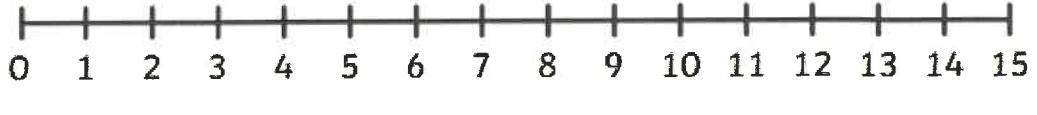

$$5 + 3 = \boxed{}$$

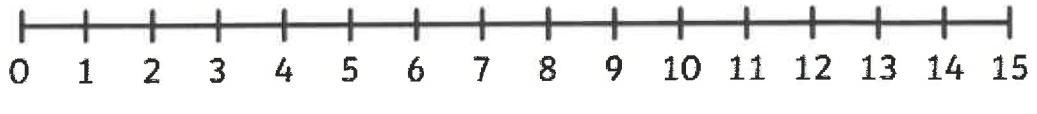

$$8 + 3 = \boxed{}$$

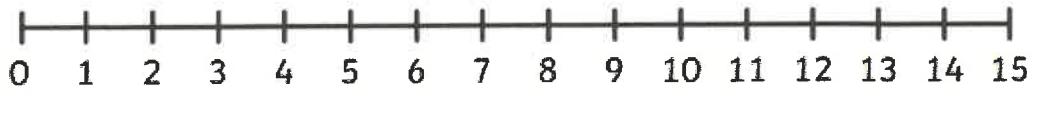

$$6 + 6 = \boxed{}$$

$$4 + 5 = \boxed{}$$

$$4 + 7 = \boxed{}$$

Blue Birds

12.1.26

This week's homework is numeracy and in class we are looking at addition. We have been looking at using a number line to add two numbers together. Can you have a go at completing the worksheet, using the number lines to help you?

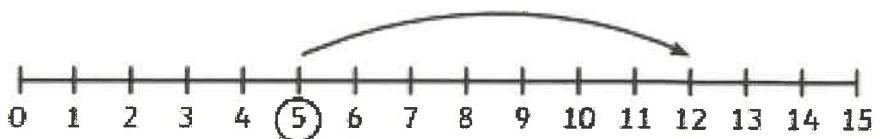

$$12 + 3 = \boxed{\quad}$$

$$7 + 9 = \boxed{\quad}$$

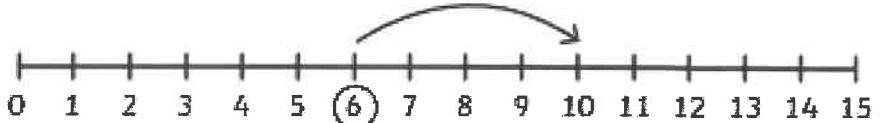

$$13 + 5 = \boxed{\quad}$$

For this question, can you have a go at working out the calculation, using the number line?
Remember, when we add the biggest number must go at the end. The first one is done for you.

$$5 + 7 = 12$$

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

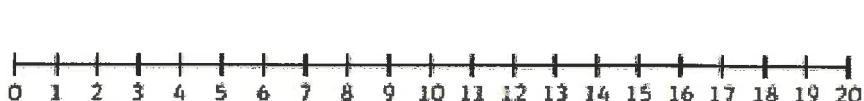

Turquoise Turtles

12.1.26

This week's homework is numeracy and in class we are looking at addition. We have been looking at using a number line to add two numbers together. Can you have a go at completing the worksheet, using the number lines to help you?

$12 + 3 = \boxed{\quad}$

$7 + 9 = \boxed{\quad}$

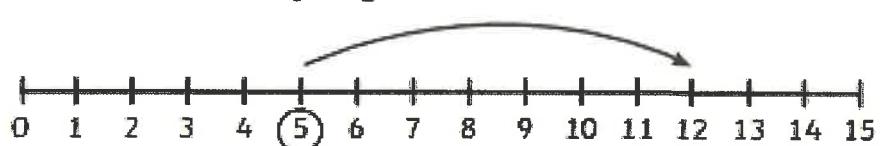

$13 + 5 = \boxed{\quad}$

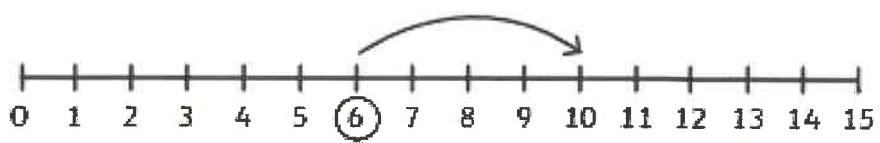

For this set of questions, can you have a go at working out the calculation, using the number line? Remember, when we add the biggest number must go at the end. The first one is done for you.

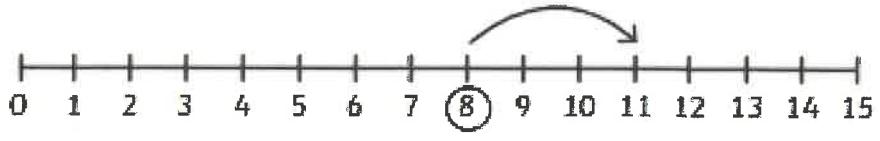

$5 + 7 = 12$

$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$

$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$

Purple Penguins.

12.1.26

This week's homework is numeracy and in class we are looking at addition and subtraction. Can you have a go at completing the calculations, by adding or subtracting the two-digit numbers. Make sure you check which calculation you are doing and always start with the ones column.

a.	b.	c.	d.	e.
4 - 2	9 + 3	3 6 + 2	2 6 + 1	4 7 + 2
f.	g.	h.	i.	j.
8 - 3	5 + 2	2 4 + 0	4 6 + 3	7 3 - 2
