

Red  
Robins

19.1.26

Look at the animal in each box. Can you draw a habitat around each animal that would suit them?  
Think about all the things they need to survive in their environments.

# Magenta monkeys

19.1.26

This week's homework is science and we are looking at 'habitats. Can you have a go at drawing some animals and plants in each section that you might find at the beach?

	<b>Birds</b>
<b>Plants</b>	<b>Mammals and Minibeasts</b>

# Blue Birds

19.1.26

This week's homework is science and we are looking at 'habitats. Can you have a go at drawing some animals and plants in each section that you might find at the beach?

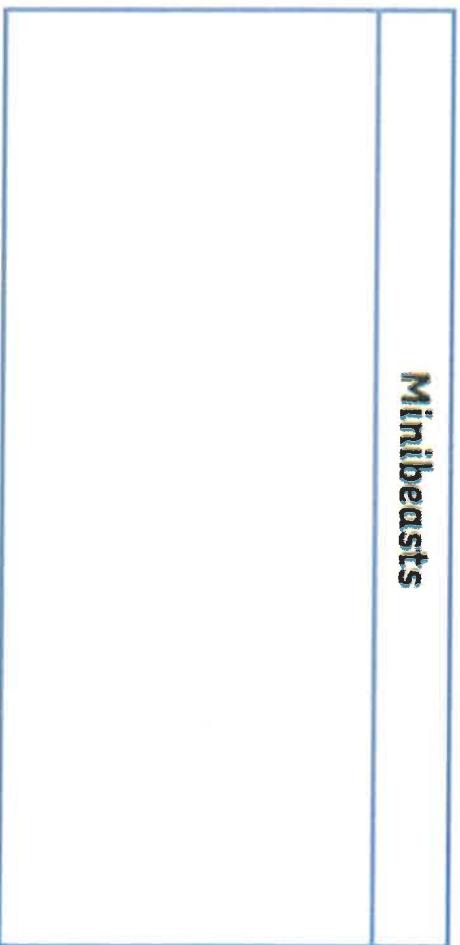

**Birds**

**Mammals**

**Plants**

**Minibeasts**

# Turquoise Turtles

19.1.26
