**Dear Parent/Carer,**

As part of our preparation for the upcoming **Key Stage 2 SATs**, we are asking children to complete a **Reasoning SATs paper** at home.

Your child should:

- Complete the reasoning paper independently
- Carefully mark their work using the answers provided
- Identify any areas they found tricky
- Complete any revision they feel they need based on the questions they found challenging

This process is designed to help children reflect on their own learning, build confidence, and develop a greater understanding of their strengths and areas for improvement.

To support this process, we have included a **QR code** which links to revision resources and explanation videos. Adults are very welcome to use these materials to help talk through questions, revisit methods, or support any revision your child chooses to complete.

Please reassure your child that this is not a test and they are not expected to get everything right. The focus is on **practice, reflection, and consolidation**.

Thank you for your continued support in helping your child feel confident and prepared.

If you have any questions, please do not hesitate to contact the school.

**Kind regards,**

Mrs Aspinall

Deputy Headteacher
