2D Shape Colouring

Can you colour the shapes to complete the picture?

Butterflies

5.10.26

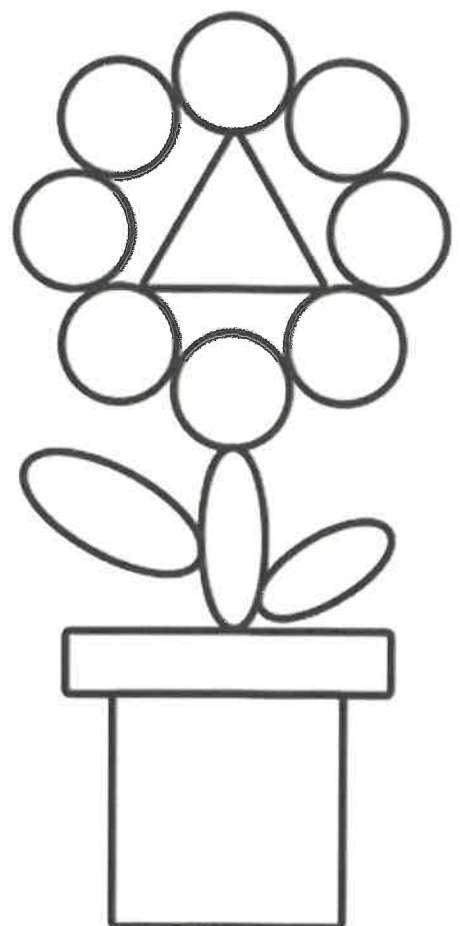

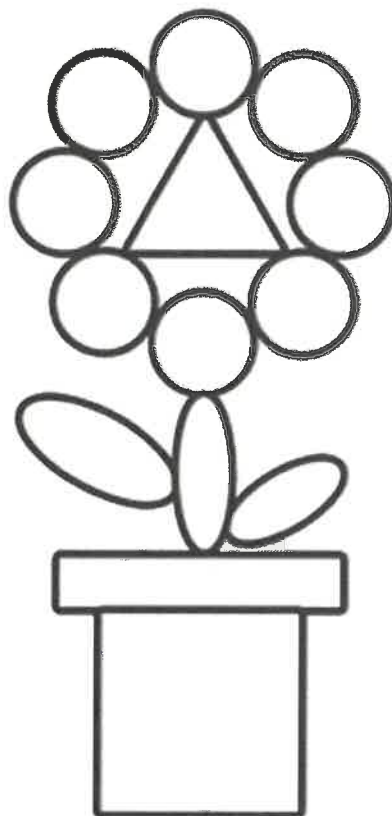

This week's homework is numeracy and we are focusing on shape this week. Can you have a go at completing the worksheet, colouring each shape a different colour?

2D Shape Colouring

Can you colour the shapes to complete the picture?

Key:

-  = red
-  = blue
-  = yellow
-  = green
-  = purple

Caterpillars

5.10.26

This week's homework is numeracy and we are focusing on shape this week. Can you have a go at completing the worksheet, figuring out the name of each shape and drawing it in the box?

	6 straight sides 6 vertices This 2D shape is a _____
	3 straight sides 3 vertices This 2D shape is a _____
	4 straight sides 4 vertices This 2D shape is a _____
	4 straight sides all the same length 4 vertices This 2D shape is a _____

Square

rectangle

hexagon

triangle

Dragonflies

5.10.26

This week's homework is numeracy and we are focusing on shape this week. Can you have a go at completing the worksheet, filling out the table.

2D Shape	Total Number of Sides	Number of Straight Sides	Number of Curved Sides	Number of Vertices
